1. Course

1.2) Other reason for taking course:

- Psychology major requirement

1.4) Level of Effort Explanation:

- Always attended every lab and participated and asked questions
- I could have spent more time focusing on my research paper but I am taking anatomy and physiology which is taking a lot of time outside of class.
- I participated and attended every class
- tried to give it all I had but too many distractions out of the classroom and some topics discussed in class I just couldn't grasp

1.6) Overall Rating Explanation:

- I learned a lot
- The labs and research project were very hands on and enjoyable despite their difficulties
- The labs are interesting and fun, they make you want to come to class.
- important for understanding research when you do your senior project
- very good professor and good material sounded interesting

1.8) Likelihood Explanation:

- The labs are interesting but if you dont need this for your major that you might not find the over all course (research methods and the lab) a great course to take for fun
- You learn a lot and give you a solid background for the more advanced/specific classes within the major
- its a tough one but if you can understand it and get through it then it is a very good class
- you have to take it if you take the leure

1.10) Skills/understanding Explanation:

- I appreciate all the skills I was given the chance to learn. Important college and life skills, and I'm glad the time was taken to teach them to us.
- I learned a lot of background on what is really involved in research psychology
- I understand more of stats now
- The labs were very helpful for success on the exams

2. Instructor

2.2) Instructor Rating Explanation:

- Funny and engaging but also challenging - near perfect balance
- I want to thank and acknowledge all the time and effort this professor puts into her classes. She makes sure everyone is

---

given every opportunity to succeed.

- Shes the best
- makes class interesting when its not such an interesting course.
- she was interesting and effective good professor

2.4) Recommendation Explanation:

- She's amazing. She goes through things fast but makes it easy to understand.
- Very understanding and willing to work with individuals and the class as a whole
- makes sure you understand material.
- she is very helpful and straight to the point.

2.5) Please provide any additional comments that you want to make about the course and instructor.

- Heide cares about her students and wants them to succeed. She will help them in any way she can and makes the course very fun and interesting.
