1. Course

^{1.2)} Other reason for taking course:

Handwritten response area for 'Other reason for taking course:' consisting of several horizontal lines. A small mark is visible on the top line.

^{1.4)} Level of Effort Explanation:

Blank response area for 'Level of Effort Explanation:' consisting of several horizontal lines.

Studied very hard at the beginning of semester, but not at the end

This class material is difficult so I really had to try.

^{1.6)} Overall Rating Explanation:

Class was very thorough teacher was fair.

lectures covered a lot of info.

Not my favorite topic

1.8) Likelihood Explanation:

Repres you will.

Its not a fun topic

I do not like it because of how much time it consumes and not a fan of statistics

Only say am not too likely to recommend this course as it is a major requirement and I would not suggest it to be taken as an elective.

^{1.10} Skills/understanding Explanation:

I learned way more about research methods than I did before.

2. Instructor

2.2) Instructor Rating Explanation:

Heidi is quite hot stern.

Heide is one of the most helpful professors I've had.

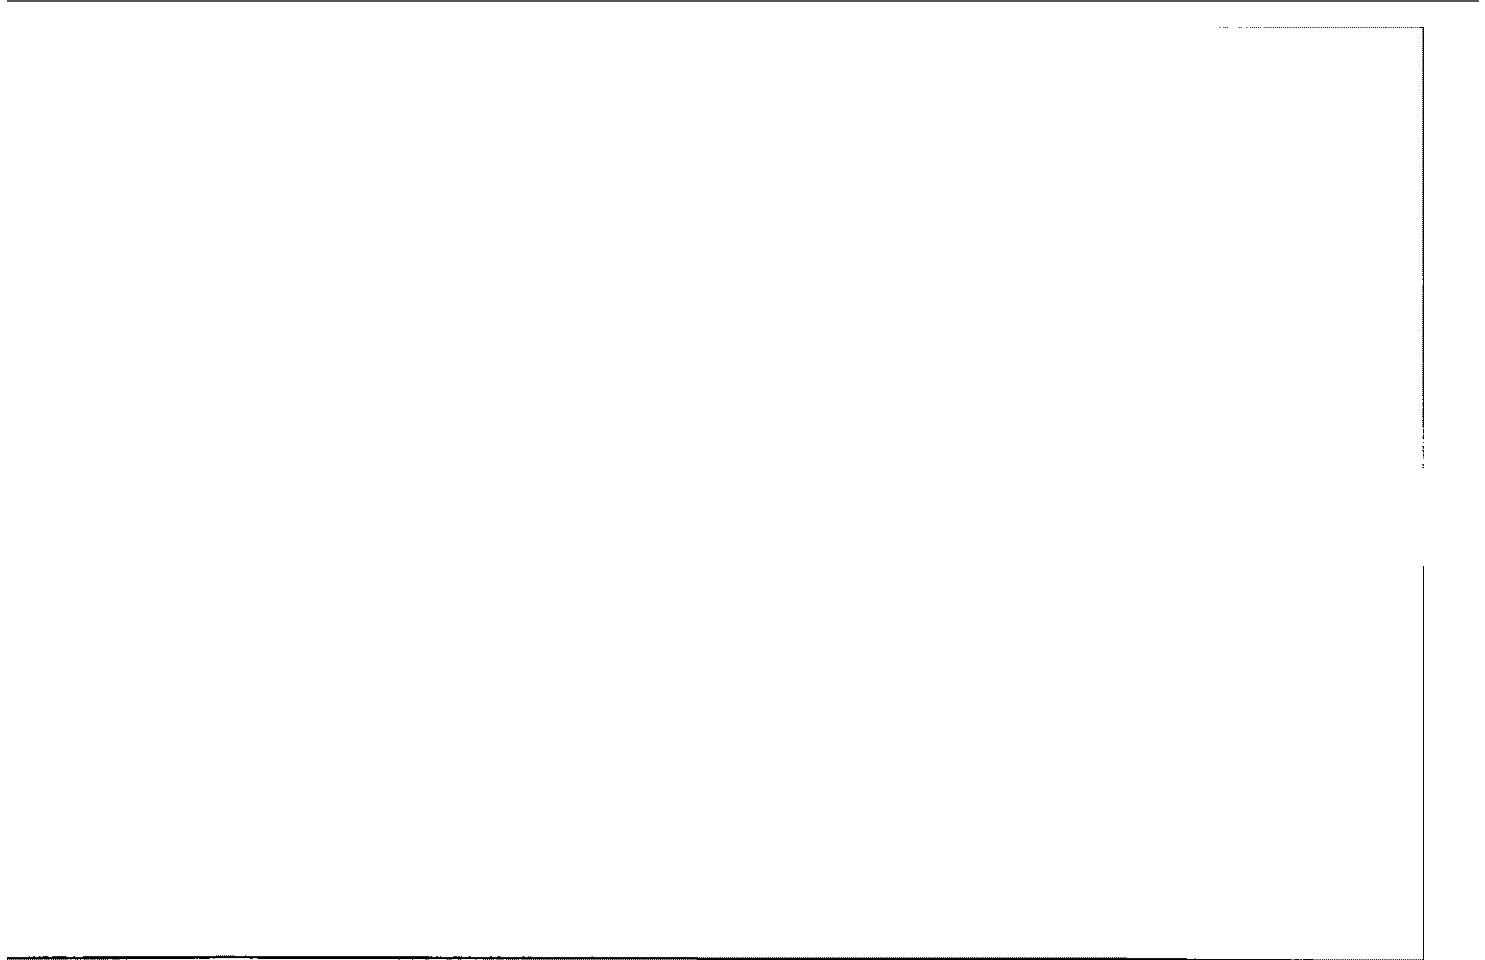

Heide is the best!!!

Heidi is very resourceful and helpful and very friendly towards her students

2.4) Recommendation Explanation:

Intense, but presents information in an understandable way

Island. can be a bit scattered in the way she organizes her slides, but she is thorough and a good teacher.

Heide is an excellent prof - I've learned more from her
in 1 semester than any other prof - she makes sure
you understand the material before moving on

Great Professor!
